From the motorway A-7, we left at the exit for "Fuengirola - Coín "(N-340 Km 209) and then turn to Coín.

We continued down the "Camino viejo de Coín" 300m. then turn right onto C / Río Guadalete (next to Nueva Laguna Park).

Then we turn the first left and first right. The studio is located next to the drugstore "Maga".

For a better location, we recommend using the tool of Google Maps, Street View.
